Actually, he just told me he is good.

He is probably one of the few at large guys on it.

Thanks

Not sure what happened. I directed (b)(6);(b)(7)(C) to do that earlier this week.

In case I wasn't clear about coordinating with Acting AFOD (b)(6);(b)(7)(C) for the op, I want to make sure that your at large team works with him for assignment.

Make sure that all units in your office are given the opportunity to participate, it will be either arrest teams, transport or processing. Not all participants will be on arrest teams.

FOT has the lead on arrests and all targets will be submitted to (b)(6);(b)(7)(C) for coordination. No double taskings on targets we need to be clear with those.

(b)(6); you will have lead on coordinating transport and processing, I don't want anyone to feel left out if we can get them in the field we will but need to ensure we conduct the op properly and account for arrests and manpower needs.

Roger that. We have submitted our most current target list with (b)(6);(b)(7)(C) targets as of today. More should be added by deadline if Sept 4.

I am going to have to pull (b)(6);(b)(7)(C) after all. I have just been informed we are required to send additional personnel to the UN General Assembly in NYC that week. Sorry guys.

10-4. If two is all you can spare, I understand.

They are going to be paired with ERO/FUGOPS and scheduled Monday through Thursday.

Thanks

So far I have two..(b)(6);(b)(7)(C) I am losing 6 guys to the UN General Assembly that week, one headed out of town to testify on a case, and I also have people heading down to the Houston area to support the Rapid Response Teams. When it rains it pours, no pun intended. If the Rapid Response Team request gets cancelled...and I hear it might...I'll see if I can get you some more help. Heck I may even go out with you guys!

Can you just ensure they are scheduled for the regular work week only (Monday - Friday)? Our budget sucks right now and we have no premium pay options right now.

Thanks,

Just wanted to reach out and formally ask for some assistance for our upcoming operation.

We are just looking for force multipliers. 4 Agents would be great but we will take as many as want to come out at least Monday through Thursday.

If you have volunteers please send me names as soon as you can so we can divide them up.

They will only be responsible for assisting in apprehensions. A processing team and transportation will be assigned and handled by ERO

Any assistance will be greatly appreciated..

Got to pull (b)(6);(b)(7)(C) ..he just got called to Firearms Instructor training next week. Sorry bro, my guys are dropping like flies. Between now and the end of the month, I'll have about 60% of my agents out on some sort of training, collateral assignment, or court proceeding out of state.
